EBP VISITOR POLICY (Issue 2)

Visits to be kept to a minimum and for essential business only. As far as possible meetings must be done via video media. Visitors who will be of necessity on our premises for a significant period of time and/or will require to be in close contact with our staff must have evidence of a negative Covid-19 test result within the last 72 hours.

Delivery and collection personnel must be kept out of premises as far as possible and will not be expected to provide evidence of a negative test.

All visits to be pre-booked times and dates to avoid visitor clash

EBP person arranging the visit shall be the responsible host and must record evidence and information required.

All visitors must provide personal contact details, usually personal mobile phone and must use hand sanitiser and wear face mask or face shield on site and observe social distancing rules.

Visitor host to be responsible for Covid-19 procedures and disposal of masks or cleaning of shields.
